GlideRite Stylets—Enabling Quick Intubations

Designed to Work Together

GlideRite® Stylets are designed to complement angulated GlideScope® video laryngoscopes and enable quick placement of ET Tubes.

- Rigid design enhances Endotracheal Tube control for fast intubation
- Preformed to match the shape of GlideScope angulated blades
- Reusable and single-use options
- Options available to cover a broad range of patients and procedures
- Available in packs of 10

Single-use Stylets

Packaged for immediate use.

GlideRite® Single-use Stylet – Small

Preformed, rigid biocompatible plastic
