

Single-use
without a Single
Compromise

GlideScope Spectrum QC

New generation Spectrum™ QC video laryngoscopes couple innovative magnetic QuickConnect™ technology with imaging improvements that empower clinicians to act with confidence in routine and emergent situations.

Innovative Connections

Magnetic QuickConnect for plug-and-play simplicity

Fast, Efficient Care

QuickConnect for Spectrum QC and BFlex allows you to unify your GlideScope® Core™ system with one innovative video cable solution for procedural efficiency

New connector, same broad portfolio of nine blade sizes and types.
